CITY OF CALHOUN

Water Customers may notice a slight increase in their February water bill. Water rates increased by \$0.20 per 1000 gallons. This increase is a result of the increase in rates the City of Calhoun received from Public Water Supply District #3.

2018 Pet Tag Reminder – All pet owners must register their animals annually with the City Clerk. The cost of registration is \$2.50 per animal. Also, a reminder that all dogs must be kept on the owner's property at all times or restrained by a leash. Failure to do so can result in a summons being issued.

April Election – There will be no candidate election since there were the same number of candidates file for the number of available positions. Incumbents James Burson and Harold Ensor will retain their positions as Aldermen for the next two years.

The County Clerk has notified the City Clerk that there will be no election held at the Calhoun City Hall in April, as there will be nothing to vote on for either Tebo or Springfield Townships.

JOKE OF THE MONTH

There were three passengers in a plane that was about to crash. One was the smartest man in the world, one was the President of the United States and one was a little girl. However, there were only two parachutes.

The first man, the smartest man in the world, stood up and said, "The people who would benefit the world the most should be the ones who get the parachutes. I, being the smartest man, am one of those." With that he grabbed one and jumped out.

The President looked at the little girl and said. "I've led a good long life, and you're just starting yours. You take the last parachute."

The little girl replies, "Don't worry, there is one for both of us. The smartest man in the world just took my backpack."
